

Academic Success at

Walford

Congratulations Class of 2024

We at Walford are very proud of each and every member of the Class of 2024.

This cohesive cohort of remarkable young women achieved outstanding results. Each student can feel justifiably proud of the personal excellence she has achieved as a result of hard work, pursuing her personal best, and following her own path, in her own way, with the support of loving parents and the dedicated work of teachers.

We celebrate these academic successes, but we know that each young woman is so much more than a test score or an ATAR. She is not defined by this score at this moment in time, nor will it limit what she goes on to achieve. Behind the numbers are impressive individual stories of young women who exemplify the values we hold dear here at Walford – Courage, Commitment, Community, and Growth.

The Class of 2024 additionally took part in opportunities beyond the SACE, including early university subjects and Vocational Education and Training (VET) qualifications. They engaged in outdoor, cultural immersion, international, and service experiences.

Go well, Class of 2024, as you live the Walford motto of *Virtute et Veritate* – 'Moral Courage and Truth'.

Academic Achievements

Congratulations to the Year 12 students on their excellent 2024 academic achievements. Our students' consistently strong academic results reflect the positive learning culture that is fostered by staff and students working collaboratively at Walford. We are proud of each student's achievements and all that they have accomplished during their school years.

Outstanding Achievements

- In 2024, two students were awarded Walford's SACE Dux Prize with ATARs of 99.75:
