

Stage 1 French

As a Walford student of French, you are currently on a pathway to complete SACE Stage 1 French in Year 10, and then Stage 2 French in Year 11. The Stage 1 French course takes your communication skills and cultural understanding to the next level through the study of topics such as relationships, healthy lifestyle and Francophone cuisine, travel, the French-speaking world, and education systems in France. You will take part in research tasks, investigating Francophone regions with a focus on food, recipes, and developing a travel itinerary. Develop confidence in using spoken and written French authentically in a range of contexts as you continue the exciting journey of becoming a bilingual/multilingual global citizen!
