Payment Terms and Conditions

Enrolment of a student at Walford constitutes acceptance of the following terms and conditions which are supplementary to those set out in the Enrolment Acceptance.

Responsibility for Payment of Accounts

Responsibility for payment of accounts rests jointly and severally with the person(s) who signed the Walford enrolment form. If both parents signed the enrolment form one parent cannot remove themselves from the enrolment contract without consent from the School and the other parent. Unless agreed otherwise by the School the legal liability for fees remains in accordance with the enrolment form.

Late Payment and Overdue Accounts

Unless there is an agreed alternative payment arrangement in place an administration fee of \$50 will be applied to all accounts more than 7 days overdue. Accounts that are more than 30 days past the due date will be charged interest from the due date at the rate charged by the School's bankers for the overdraft facility, calculated on a daily basis. The School is entitled to recover any costs and legal fees associated with collecting any outstanding amounts.

In persistent cases of non-payment of fees and charges the School maintains the right to suspend the enrolment of a student until the matter is satisfactorily resolved. Should you anticipate a problem with the payment of fees please contact the Director of Finance and Corporate Services for a confidential discussion.

Overdue Fees and Extra-Curricular Activities

Unless there is an agreed payment arrangement in place, any student whose fees remain unpaid will be ineligible for participation in optional extra-curricular activities until the account is brought up to date. An extra-curricular activity does not refer to curriculum-based excursions and activities but does refer to, for example, overseas tours or interstate sporting trips.

Holding Fee for Temporary Absence

There will be no remission of fees and charges for a student's temporary absence for any period of less than one term. For a temporary absence greater than this period, a holding fee will apply to preserve the student's position. The holding fee will be set at one term's tuition fee (at the rate applicable at the time of absence) payable in advance. Upon return to School one half of the holding fee will be credited to the student's account. Parents/Guardians seeking consideration for a student's absence must apply in writing to the Principal.

Notice Period for Termination of Enrolment from School and/or Boarding House or ELC

Notice in writing must be given at least one full term in advance of the removal of a student from the School or from the Boarding House. This notice must be provided before the end of the school holiday period preceding the final term of schooling. Four (4) weeks notice minimum must be provided to the ELC.

In the event that such notice is not provided fees in lieu of notice will be charged and will include one full term's fees and charges (whether boarding, tuition or any other type of charge) at the rate applicable to the student at the time of removal. If the student is removed during school holiday time then the rate applicable during the preceding term will be applied. Fees in lieu of notice may be waived or varied under certain extenuating circumstances.

All requests for fees to be waived must be forwarded in writing to the Director of Finance and Corporate Services who will refer them for decision to the Finance Committee of the School's Council of Governors.

Goods and Services Tax (GST)

School fees and many associated charges do not attract GST. However, there are a small number of education related supplies that are subject to GST. The School will charge GST where applicable.

Senior School Fees

Where a student attends the School for Years 10-12 and completes Year 12, the full fees will apply regardless of the number of subjects studied each year.
